Hello!

We are **Graphica Gauges And Tools**, manufacturers & exporters of precision gauges headquartered in Pune, India. With over three decades of unwavering commitment to excellence, we stand as a distinguished leader in manufacturing and exporting precision gauges.

Our extensive experience has not only shaped our identity but also carved a prominent niche for the name Graphica in the market.

Who we are

At Graphica, we seamlessly merge craftsmanship and cutting-edge technology in our manufacturing unit to consistently exceed industry expectations with superior quality gauges.

Our mission

As we evolve and innovate, our mission is clear : to consistently deliver excellence and thrive.

Our vision

Our vision is becoming a global leader in precision gauge solutions through innovation, quality, and customer-centricity.

Graphica's Pillar

Founded By

Sukhlal Patil

The pioneering member who started the company as AP Engineering which was later changed to Graphica Gauges And Tools

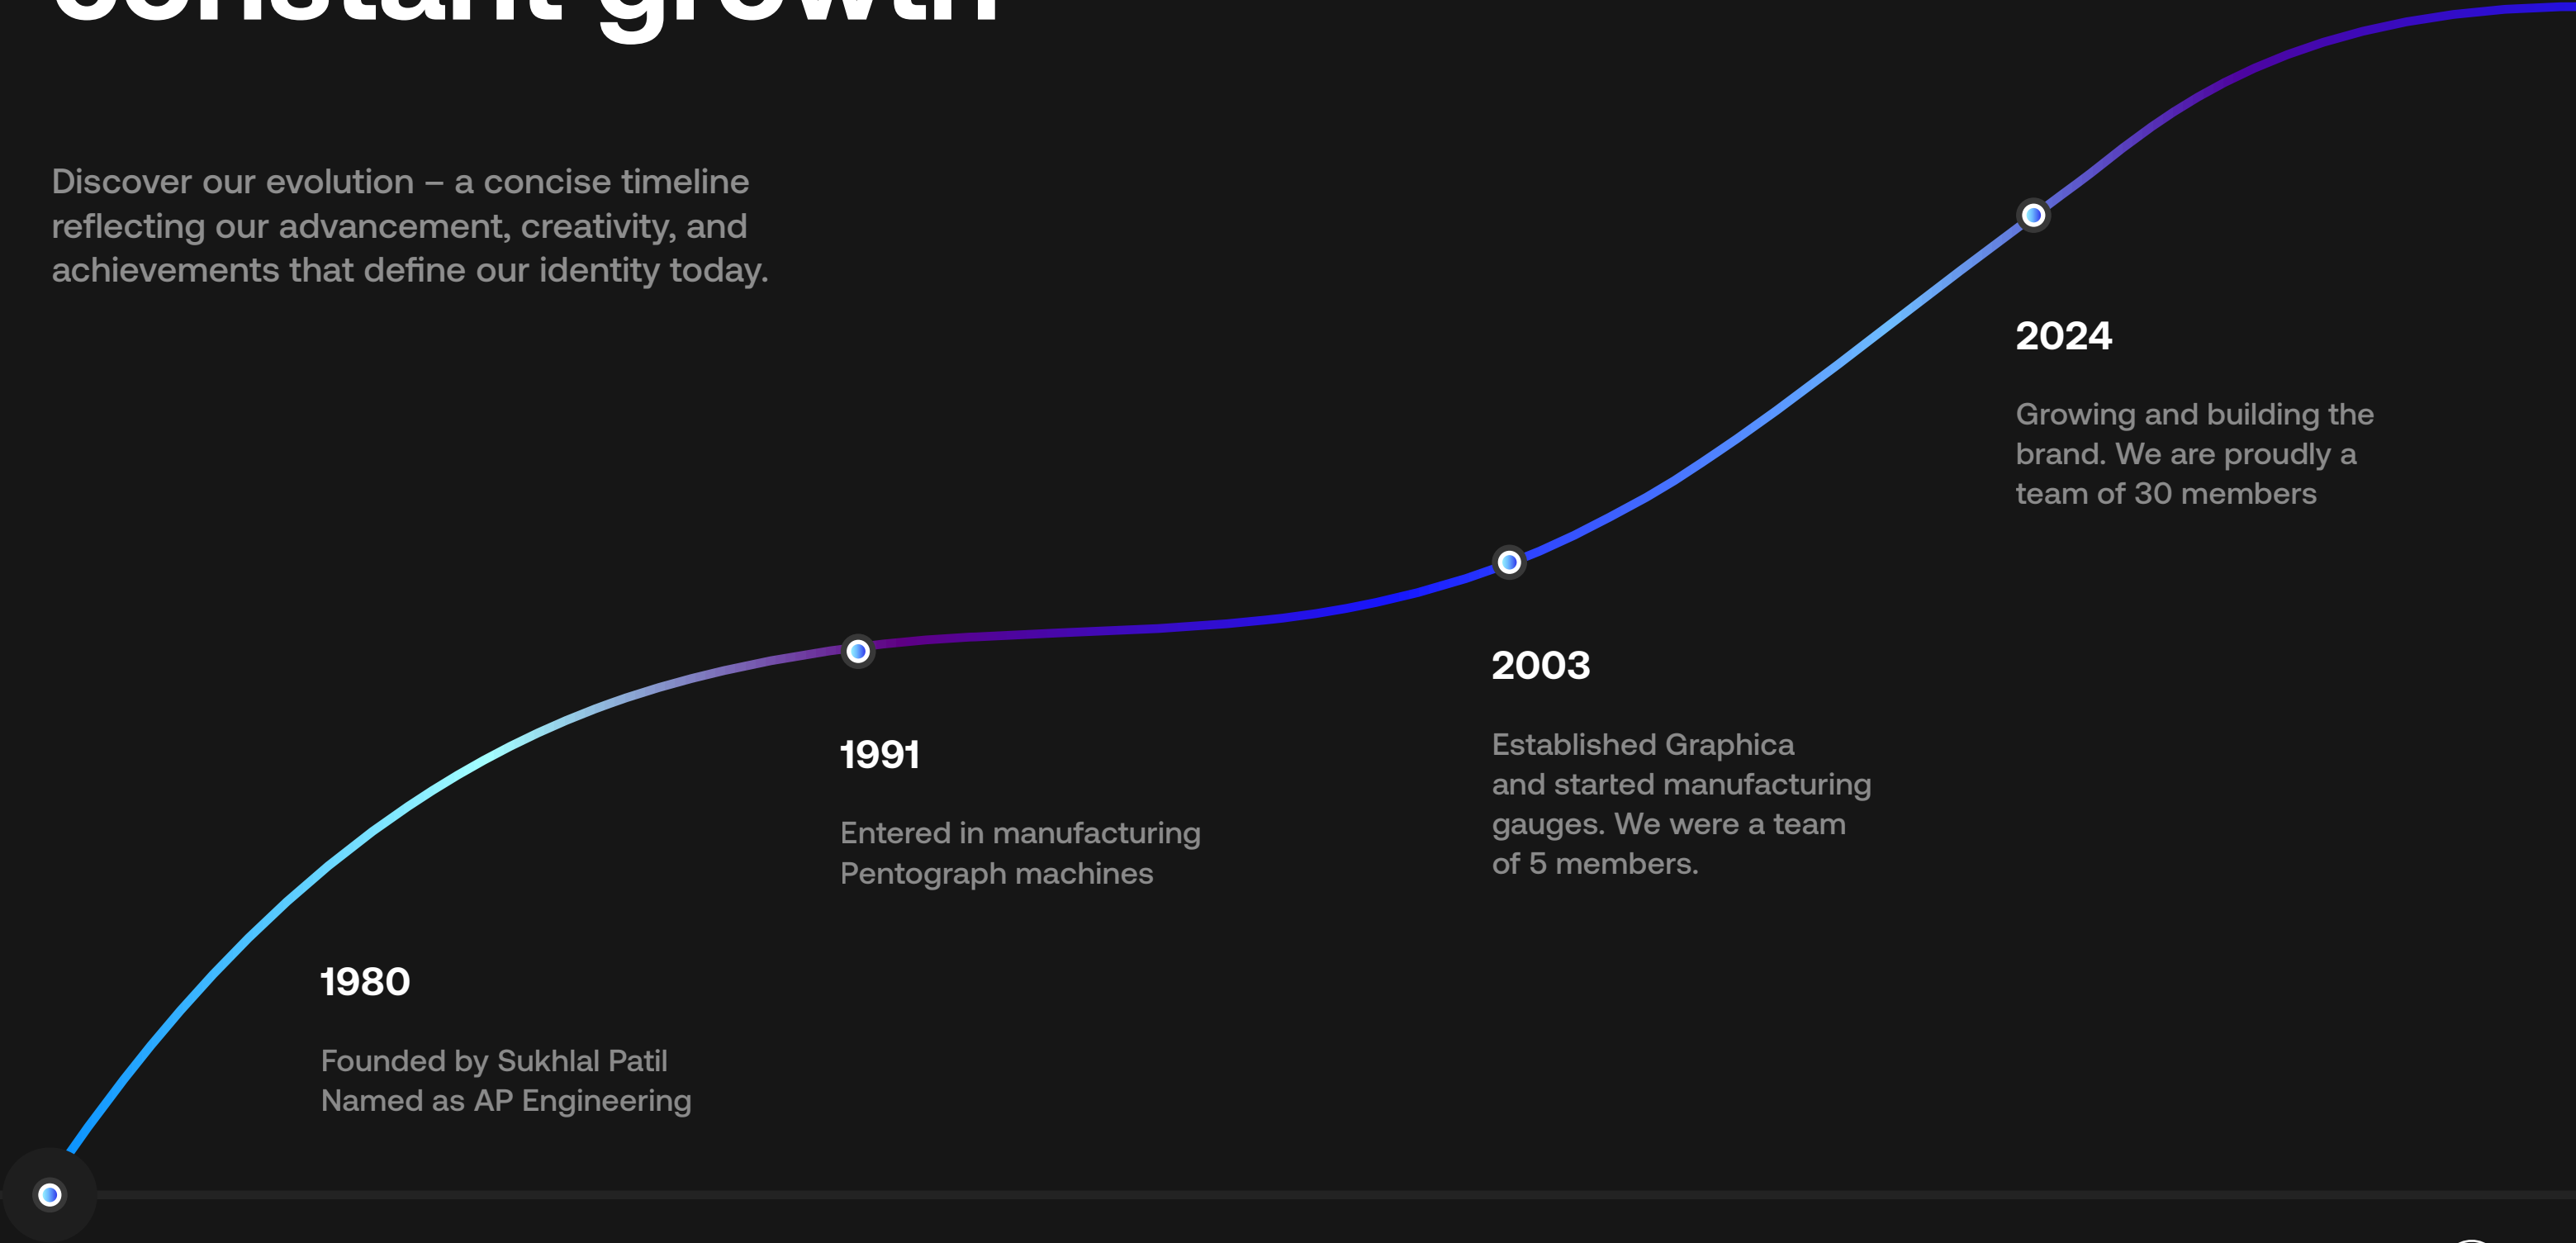

Anil Patil

Proprieter

At Graphica, we're more than just engineers; we're pioneers dedicated to cultivating growth and positively impacting the engineering landscape through unwavering commitment to quality.

Our journey of constant growth

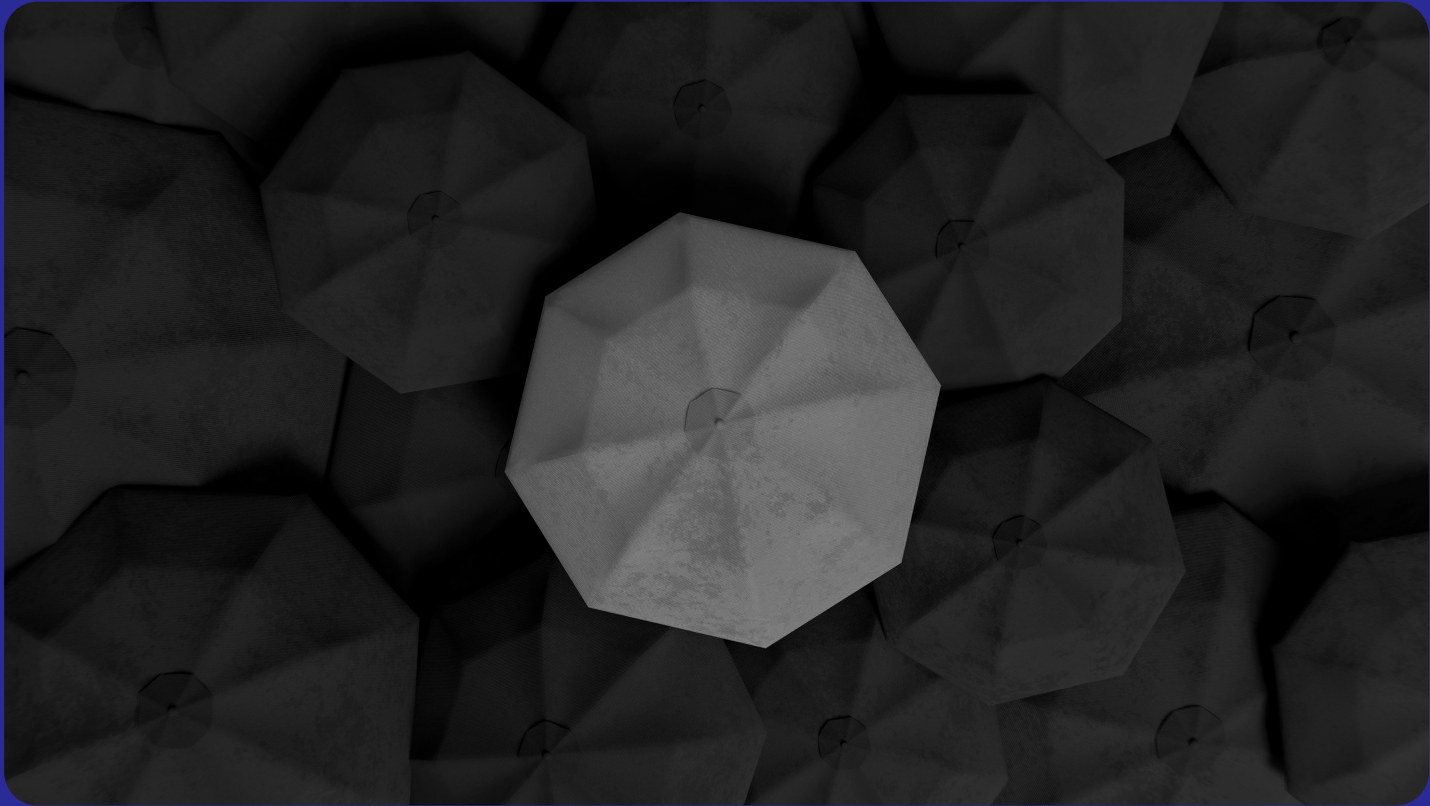

Discover our evolution – a concise timeline reflecting our advancement, creativity, and achievements that define our identity today.

Distinctive Features

Explore our distinctive features, where high-quality materials meet advanced processes, state-of-the-art quality checking machines, and precision-focused services.

OHNS, EN 31, CARBIDE

We use high-quality materials to ensure optimal durability.

SUB-ZERO

All our gauges undergo in house sub-zero treatment at our manufacturing unit.

ULM

In-house, we employ three cutting-edge ULM gauge checking machines to guarantee precision.

NABL

We provide NABL services from third-party accuracy checks, demonstrating our commitment to the highest quality standards.

What our clients say about us

Uncover quality in every detail as you explore our meticulously crafted products, proudly manufactured in our cutting-edge facilities.

CIE Automotives
Formerly as Mahindra CIE

“

Its been an excellent experience continuing the business with Graphica Gauges for past long years. Staff responses for any issues or support is very good. I experienced a very friendly environment with talking to the staff people.

”

Super Auto Forge

“

Thanks for your extended support and the supply of special Thread gauges both internal and external. The lead time for delivery is very supportive and also the quality & life of the gauges is very good. Best wishes to achieve future goals.

”

LGB Forge Limited

“

Absolutely impressed with the product's quality and timely delivery. Competitive pricing makes them a standout, and their helpful customer service solidified a great buying experience.

”
